

Student Learning Surveys

Students in Years 7 to 11 completed a recent learning experiences survey. The survey focused on the use of learning intentions, success criteria, feedback and the use of PEEL. Following is a summary of the responses, including comments written by students.

Year 11

Learning Intentions help me with my learning.

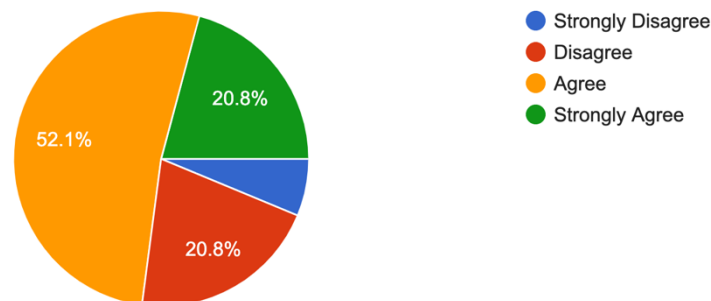

48 responses

"Provide direction for my learning i.e. Why am I learning this? What do I need to achieve?"
"It helps me to know what I need to understand by the end of the lesson"

Success Criteria helps me with my learning.

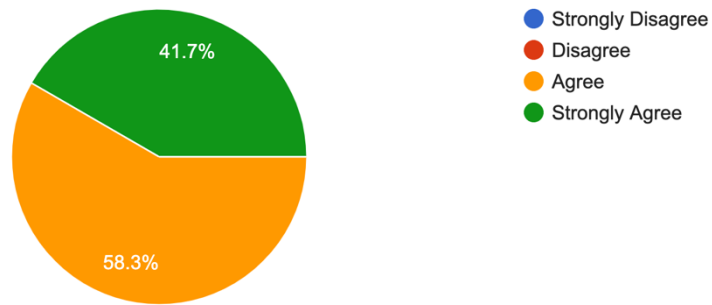

48 responses

"Because they break down exactly what I need to achieve to have successfully completed something."
"Success Criteria sets a guide to a level of standard that is required for a certain task."

The feedback I received from my assessment results helps me improve my learning.

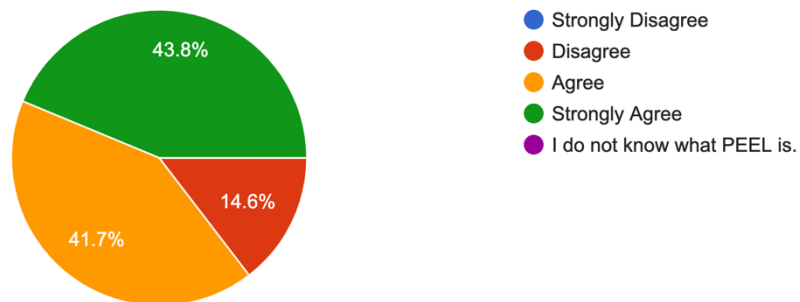

48 responses

*"The teacher helps unpack our results, and how to extend results."
"It shows me the areas that I struggle in and I can improve on them."*

I use the PEEL structure to help me write paragraphs.

Year 10

Learning Intentions help me with my learning.

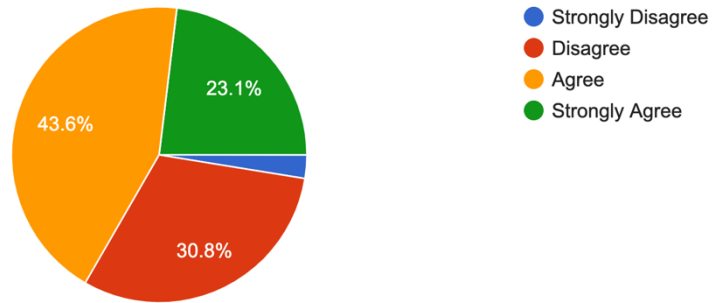

39 responses

*"They are important to understanding what is to come in the lesson, and help me understand my goals."
"Because it helps guide me to what we are doing in the lesson."*

Success Criteria helps me with my learning.

39 responses

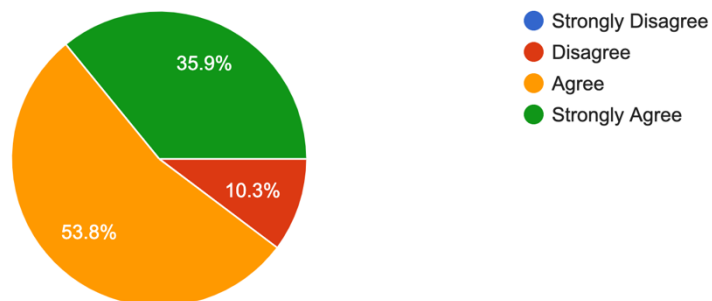

“As it provides a guideline on how to perform well.”

“Because I can see what I need to do to get good marks.”

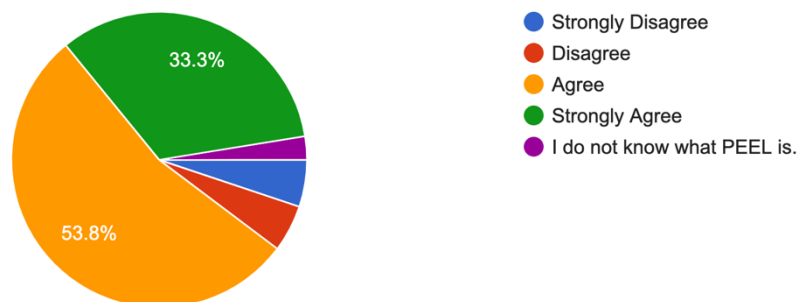

The feedback I received from my assessment results helps me improve my learning.

39 responses

I use the PEEL structure to help me write paragraphs.

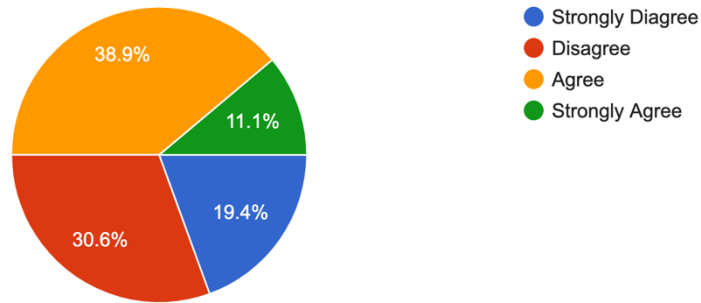

39 responses

Year 9

Learning Intentions help me with my learning.

36 responses

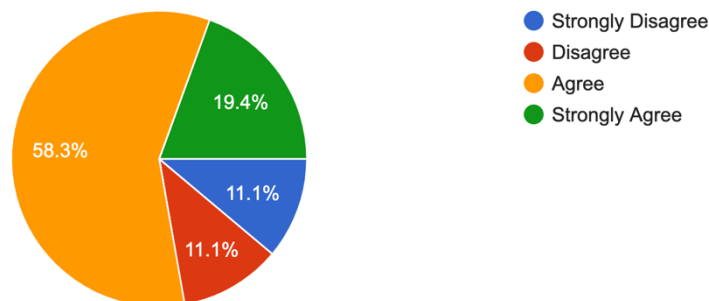

"Because they help me focus on the task at hand."

"Because they give me a goal to work through that lesson, and it feels good knowing what we are getting out of lessons."

Success Criteria helps me with my learning.

36 responses

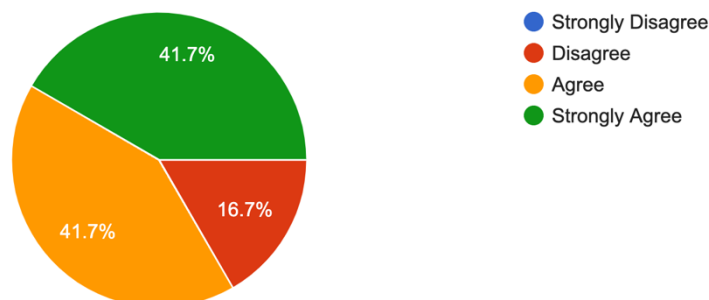

"Because I know what to do and how to do it based on the criteria."

"The success criteria helps me a lot by helping me to understand what i need to do to achieve a high mark and I can always reflect back on the criteria after my mark to reflect on what i could have done better."

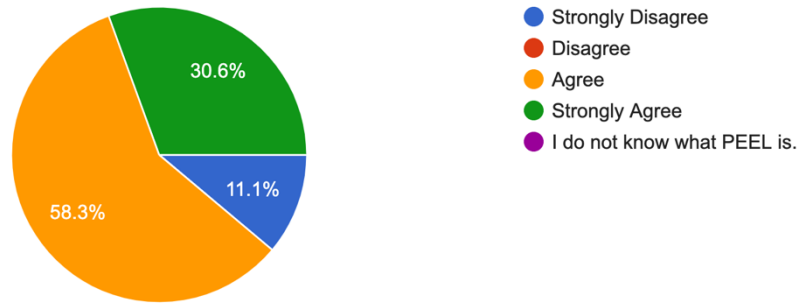

The feedback I received from my assessment results helps me improve my learning.

36 responses

I use the PEEL structure to help me write paragraphs.
